

SARTARELLI

Classico

Interesting, fresh Italian white  
delightful with seafood

**"Sartarelli continues to be a  
benchmark wine in this category,  
...vinified in stainless steel...**

White peach, spring florals, hints of  
almond and sea air all can be  
found, as well as soft textures  
offset by stimulating minerality  
and green citrus. It's an energetic  
wine that relies more on its savory,  
salty poise than fruit, and it stays  
with you for well over a minute.
