

Volnay 1er Cru Chevret

- **Geography** : Located at the feet of the **Cailleret** with a break in the slope; which is here softer. A light hollow whose name comes from the Latin "cava".
- **Soil and environment** : The depth of the ground is more important here than in other parts of the domaine. A blend of clay and pebbles.
- **The vine** : Blend of a 40 and a 60 year-old plot from the mass selection.
- **The wine** : Rich, fat and generous on the palate with notes of red and black fruits. Round and silky with soft and tender tannins : It is the perfect incarnation of the wines of Volnay.
