

Loire Valley, France
GÉNÉRATION
DIX-NEUF
SANCERRE
Alphonse Mellot
VIGNERONS DE PÈRE EN FILS
DEPUIS 1513

The 2018 Sancerre Génération Dix-Neuf (XIX) opens with a very clear, pure and, given the warm and dry vintage, beautifully fresh and mineral-scented bouquet with flinty and yeasty notes intermingled with white fruit aromas. Generously fruity but also salty, pure and tensioned on the palate, this is a full-bodied and elegant Sancerre,
