CHIANTI CLASSICO

Denominazione di Origine Controllata e Garantita

The 2020 Chianti Classico is one of the standouts of this vintage. Dark cherry, plum, spice, leather, menthol and licorice are all amplified in this decidedly potent Chianti Classico. The balance is impeccable. The straight Chianti Classico is the humblest wine in the range, but in 2020 it is not too far behind the more 'important' wines, if at all! Don't miss it.
