## CHIANTI CLASSICO

Denominazione di Origine Controllata e Garantita

"Chianti Classico 2021 Caparsa" is Caparsa's basic Sangiovese wine, which is not to say that it is of inferior quality to the other types. A wine of great drinkability, with intense, savory fruit. Marked aromas of violets. Hematic. Matured in concrete tanks, it is in no way affected by influences of wooden containers and keeps alive that authentic terroir typical of Caparsa wines.
