

# CORBIÈRES TRADITION ROSE

Château Fontarèche, owned by the De Lamy family since 1957, is located in the Languedoc region, several kilometers far from Lézignan-Corbières. The estate makes a perfect square of 145 ha formed around the Château, which are under the appellation Corbières and Pays d'Oc, on a soil composed of pebbles stones: 17 grape varieties are cultivated in the vineyard. Experienced winemaker Vincent Dubernet was also managing Abbaye de Fontfroide prior to Château Fontarèche.
