

Château Mondésir-Gazin

Emu

Région : Bordeaux
Appellation : Blaye Côtes de Bordeaux
Cuvée : Emu
Color : Red
Soil : Clay-limestone
Planting density : 5.500 plants/ha
Yield : 40 hl/ha

Grapes : Merlot (65 %) – Malbec (35 %)

The Merlot grape variety develops aromas of red fruits such as strawberry and raspberry.

The Malbec grape variety has an intense color with aromas of black fruits and plum, spices such as pepper and chocolate.

Breeding : 12 months in oak barrels

Tasting comments :

Empowered by the dark ruby, almost black hue of this vintage, we discover on the nose a complex array of musky, blackberry notes tending towards brandied fruits.

From the attack, the palate reveals itself as ample, fat, corpulent, stretched in a long and warm finish. Solid potential.
A wine with character to pair with game or grilled/spicy red meat.
