

BLAYE CÔTE DE BORDEAUX

Beautiful balance between tannins and roundness. The Malbec brings its note of freshness and spices. The mouth is silky and of a beautiful length. The color is very dense and the aromas very ripe.

TERROIR: Limestone and clay

DENSITY: 5,500 rootstocks / hectares

VARIETY: 80% Merlot, 20% Malbec

AGING: 12 months in French oak (25% new)

TASTING NOTES: Dark ruby, almost black hue of this vintage, we discover, on the nose, a complex array of musky, ripe notes tending towards brandied fruits. From the attack, the palate reveals itself to be ample, fat, corpulent, stretched with a long and warm finish and solid potential.
