## CHURCHILL'S CONTEXTO VINHO VERDE WHITE

Churchill's is a boutique, family-run Portuguese winery. Contexto means context — and context is personal. For us, it's that just right moment when the sun dips low and the air hums with birdsong. This vinho verde is bright, crisp, and just chilled enough to make you believe in magic (or at least a second pour). Born in Portugal, made for wherever the mood finds you.

### SOURCING

This wine is produced from grapes traditionally used in the Vinho Verde demarcated region, in the Sousa sub-region.

### TASTING NOTES

Bright citrine colour. Intense stone fruit aromas. Young and vibrant on the palate, with juicy fresh flavours and a lovely crispy acidity.

### WINEMAKING NOTES

This wine is produced from grapes traditionally used in the Vinho Verde demarcated region, especially in the Sousa sub-region. This truly genuine wine has all the quality characteristic of this exceptional area. It is distinguished by its richness, taste and aroma. Young and delicate, it should be served with fish, seafood and white meat dishes
