

CHURCHILL'S QUINTA DA GRICHA DOURO RED

Quinta Da Gricha is Churchill's flagship vineyard in the heart of the Cima Corgo in the Douro Valley, with 'lagares' dating back to 1852. Benefiting from a north-facing exposure, Quinta da Gricha produces wines with a raw vibrancy and excellent natural acidity.

This wine is uniquely produced from the vineyards at our Quinta Da Gricha estate, expressing the unique features of the 'Gricha' terroir: minerality, purity and finesse. An intense and seductive wine, with black cherry and herbal aromas.
