CLOS FIGUERAS CLOS FIGUERES PRIORAT RED

The very young 2020 Clos Figueres has notes of esparto grass and other Mediterranean herbs and flowers. Despite having similar alcohol levels to the 2018 and 2019 I tasted next to it, this 2020 feels a little lighter, but it is still powerful and has abundant, fine-grained tannins that are going to require some time in bottle to get resolved.
