

Priorat, Spain

CLOS FIGUERAS

# CLOS FIGUERES PRIORAT RED

It was produced with Garnacha and Cariñena from old vines and fermented in open-top 300- and 500-liter oak barrels where it matured for some 14 after being pressed. It's ripe, modern and generously oaked, with a full-bodied palate with plenty of tannins in need of more time in bottle and/or powerful food.
