SERRAS DEL PRIORAT RED

The red 2023 Serras del Priorat was produced with a blend of Garnacha, Cariñena and Syrah fermented in stainless steel and matured in 500-liter French oak barrels. It has a nose of ripe berry fruit, aromatic Mediterranean herbs and a touch of sweet spices. It comes in at 15% alcohol, but it does not feel alcoholic; it's quite balanced and fine-boned.
