ROSAT 2023

This is a little rounder, an orangey rosé with lots of spice and yeasty notes that reminds me of the clarete from Dominio del Águila in Ribera del Duero and the rosé from López de Heredia in Rioja. It has notes of herbs and flowers rather than fruit, with complexity and detail and a stony, dry palate. It's powerful and ripe at 14.5% alcohol. It's not a shy rosé.
