

CLOS MOGADOR

ROSAT PRIORAT ROSE

"The rosé 2021 Gratallops Vi de Villa Rosat was produced with a majority (70% to 80%) in the Planassos part between Mogador and Manyetes of Garnacha, Macabeo and Cariñena plus the grapes from younger vines (Mogador, Nelin...). It has a bright salmon color and a very different and characterful nose, savory, reminiscent of chicken broth (salty!), herbal and super tasty. It's quite direct, with 13.5% alcohol and very good freshness, a bit atypical for Priorat, very long, precise, clean and dry. This matured in a 2,000-liter 10-year-old oak foudre for 18 months. They produced some 3,000 bottles. Brilliant!"

TASTING NOTES: This wine showcases impressive complexity, offering a bouquet of red fruits, citrus, minerals, and spices. It presents a luscious, medium-bodied texture, and a dry profile on the palate. With well-balanced acidity, it embodies a distinct Mediterranean essence, featuring flavors of red fruit complemented by a saline undertone and a subtly bitter finish. Enjoy with light pasta dishes, Mediterranean cuisine, or your favorite spicy takeout!
