

Catalonia - Spain

TINTO

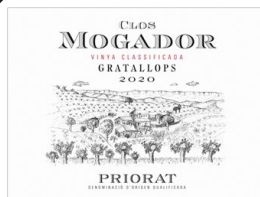

PRIORAT
2021

Aromatic complexity and a beautiful texture. It matured in 2,000-liter oak foudres and a small part in barrel and later in concrete. The wine has 14% alcohol and has the Priorat, Mogador and Mediterranean character (wet slate, graphite, aromatic herbs) with more elegance and freshness. The tannins are also a lot more elegant, and the wine comes through as very balanced.
