PRIORAT

DENOMINACIÓ D'ORIGEN QUALIFICADA

PROPIEDAD **N**elin is the result of two parallel souls -the balance between the feminine and the masculine side in its youth culminating in the true expression of Priorat at its best.

A renowned Catalan journalist recently wrote: "Today, Catalunya is represented by some great chefs and by the wines of Priorat.

We were aware that it would be difficult to marry our rich, powerful red wines to some of the newer recipes so we hope that Nelin proves an ideal partner.

The Grenache is evocative of the parched hills on mineral slate where the spicy quince flavours are in evidence.

The Macabeu has adapted beautifully to our climate, planted close to small streams, which impart delicate orange flower aromas.

The Escanyavelles lends its solid structure to the wine and ensures a lengthy future to the wine due to its tannins and acidity. At the same time, this little stranger reminds us of the longstanding association of the Barbier family with France!

PROPIEDAD NELIN 2022

«WHITE PRIORATO»

Nelin is how our family interprets a Priorat white wine.

In Nelin we play with skins, inspired by the old «brisats», working with indigenous yeast, fermentations longer than 6 months, aging period of more than 15 months and using all kinds of materials, starting the first phase with woods, then followed by cement vats, clay pots and even some stainless steel in the end.*

Lately we are very excited reintroducing unique autochthonous varieties such as the “trepat blanc” or the “cartoixà”.

When we were going through the year 2022 we did not know that it would be the beginning of a long period of drought.

In 2022 the vines had the water reserves of 2021 and therefore, we had a good harvest but with a clear character of a warm and dry year. I sincerely believe that the work in the field and winery was crucial to be able to make wines that represent the character of the vintage with a good balance.
