

# DOMAINE DIDIER DAGUENEAU

---

## LES JARDINS DE BABYLONE SEC DRY WHITE, VIN DE FRANCE

Dagueneau's makes a limited number of bottles of dry wine from these beloved Jurancon hectares. The aim is to produce a wine that brings out the natural minerality of the soil and have balance, harmony and longevity. Concentrated, racy and extremely memorable.

**TASTING NOTES:** The nose is powerful, exotic, honeyed, lemony and full-bodied with enormous minty freshness. Both completely dry and extremely dense, it offers a tapered mouthfeel reminiscent of the texture and thickness of a Côte de Beaune grand cru, but with a completely unique aromatic and taste profile. The iodized structure lengthens the finish and highlights the spicy notes. Splendid!
