GAVI

Le Rose

GAVI DOCG

The wine

Le rose comes from our vineyards in Tassarolo. A versatile Gavi, where the typical freshness is balanced by the minerality brought by the red, clayey soil. Pleasantness is its main quality, in line with the "less is more" principle: minimal intervention in the cellar to allow the wine to express the terroir.

Vinification and aging

Harvest is immediately followed by soft pressing and temperature-controlled vinification in steel tanks.
