

Napa Valley, USA

Larkmead

SAUVIGNON BLANC

The 2022 Sauvignon Blanc Lillie was picked ahead of the Labor Day heat and was barrel fermented in a mix of 300-liter hogsheads and 225-liter barriques. Together with its ripe fig and fresh lime notes, this has a luscious balance of richness and refreshment—medium to full-bodied, lush and creamy textured, then long and clean on the finish.
