

Napa Valley, USA

Larkmead

CARBENET SAUVIGNON

Larkmead's 2022 Cabernet Sauvignon (White Label) includes a healthy 18% Cabernet Franc in the blend, which may help to explain the wine's unusually fragrant, floral and even tea-like notes on the nose. It's full-bodied and nicely ripe on the palate, featuring silky tannins and easy accessibility, plus a lingering, softly dusty and mocha-tinged finish.
