

Jerez-Xérès-Sherry, Spain

LUSTAU

**Almacenistas
Palo Cortado de Jerez,
"Cayetano del Pino" 1/22**

Old gold in color with amber reflections. Very bright and clean. A delicate yet pungent nose, with almond-like aromas that remind of its biological aging phase. Velvety and round on the palate. Surprisingly gliceric. Its endless aftertaste has a comforting bitterness that leaves the palate clean and ready for more.
