

Jerez-Xérès-Sherry, Spain

LUSTAU

White Vermouth

Floral, citrus, herbaceous, with almond notes and a subtle mineral background. Delightfully light and refreshing, with a distinctly bitter and dry finish, in which fine notes prevail. Ideal for the aperitif ritual sacred companion. Just take it in a wide glass with ice and olive. Seductor, character and delightfully refreshing, with all kinds of caps and snacks, and as a basis for sophisticated cocktails.
