

MACON LOCHE CUVÉE DU CLOCHER

Macon-Loché Cuvée du Clocher Domaine Tripoz, biodynamic, clean, zesty, bright Chardonnay from this lesser known village of the Maconais. As the name suggests, this wine is as clear as a bell – lovely clean fruit, taught minerality and a splash of cream to round it out. This wine is fermented and matured in tanks so as not to mar the sense of terroir. A really excellent example of one of Burgundy's sub-regions, and of Chardonnay's incredible ability to adapt to its surroundings.

To be enjoyed as an aperitif, with cubes of Comté or dry goat cheese. It goes well with a fish dish, a quiche or a cheese platter.
