Camí PESSEROLES

VINYES AL CAMÍ VELL DE PORRERA A GRATALLOPS

It has the earthy and soil feeling of the Cariñena and the black slate, with hints of tree bark and ink, but there is also an herbal touch, with lots of tension and a lot of energy. The spice notes are different here, and there is a touch of rusticity, perhaps from the chestnut. It's medium-bodied and has fine tannins, lifted by freshness. Earthy and rustic Priorat.
