

**MEADOWCROFT
WINES**

European heritage with California creativity.

Meadowcroft Wines are award winning, small production reserve wines from our estate vineyard on Mt. Veeder and select single vineyard bottling from Napa, Sonoma, and appellations in California.

2024 Chardonnay

Napa Carneros

TASTING NOTES

The 2024 vintage of our Carneros Chardonnay is bright, balanced, and aromatic, offering inviting notes of peach, lemon meringue, subtle oak, and a touch of lime zest. The palate reveals a smooth mouthfeel with lively acidity, creating a well-rounded wine with freshness and finesse from start to finish.

SUGGESTED FOOD PAIRING

This elegant Chardonnay is a versatile companion for both refined gatherings and casual meals. Pair it with fresh Dungeness crab, seared scallops, or roasted chicken with lemon and thyme for classic coastal flavors. It also complements creamy risottos, butternut squash ravioli, or a wild mushroom tart beautifully. For lighter fare, try it with a citrusy arugula and goat cheese salad or grilled vegetable skewers finished with a touch of sea salt.
