

En Grands Champs

100% Pinot Noir AOC Sancerre

En Grands Champs, a wine of character from a truly exceptional terroir on the limestone soil known as Buzançais at the summit of the Domaine de la Moussière.

Winemaking :

Hand-harvested, 50% barrel-aged and 50% wooden vat for 16 months, then aged in bulk.

Soil :

So-called Buzançais limestone over 1 hectare.

Aromatics :

This 100% Pinot Noir red has a powerful nose with notes of blackberry, morello cherry, and pink pepper blending into a lively smoky bouquet, a superb deep carmine color, and an elegant palate with fruitiness and freshness accompanied by fine, silky tannins.

A “haute couture” wine, En Grands Champs pairs perfectly with a fine cut of Charolais beef, a chicken liver terrine, or a peach soup for dessert.

Built for aging, it rivals its big brother, “Génération XIX.”
