

Cachapoal Valley, Chile

CORDILLERA *de los Andes*

CARMENERE

Aged for 12 months in French oak barrels and foudres, this expressive purple wine reveals aromas of ash and green bell pepper, complemented by blackberry marmalade over a faintly oaky layer. Rich, dry and creamy on the palate, the juicy yet slightly diluted mouthfeel releases its flavors with delicate balance. This is a well-crafted Carménère that displays the essence of its cold vintage.
