### *De-Alcoholised Sauvignon Blanc*

Characteristic varietal aroma of Sauvignon Blanc, notes of tropical fruits mixed with hints of green asparagus, tomato leaf and boxwood. Fruity palate with excellent density. Vibrant acidity that gives it length and persistence. The ideal companion for shellfish and seafood, it pairs very well with grilled fish and oily fish, such as sardines, as well as some poultry. Serve at 8-10°C (46°-50°F).
