VINEYARDS

FIG TREE SAUVIGNON BLANC  
2022

*Beautiful pale-yellow color that is star bright with a tinge of green. The nose has classic Sauvignon Blanc notes of grapefruit, underripe pear and lemon, hibiscus flower, almond macaroon, and toasted coconut. The palate has eyebrow raising acidity up front which rounds out seamlessly through the middle. Flavors of lemon bar, clementine and kumquat are wrapped in river rock minerality with freshness akin to a tropical rainstorm.*
