

Sonoma County, USA

# QUIVIRA

VINEYARDS

SAUVIGNON BLANC

2022

*Pale yellow in color and star bright with a slight green tinge. The nose is filled with floral notes of jasmine, hibiscus and white rose, with lingering aromas of classic lemongrass, nectarine and clementine. On the palate, the Quivira mark of high acidity is balanced out with minerality reminiscent of limestone, topped off by layered flavors of Meyer lemon, Key lime, orange flower water and spring herbs.*
