

ESTATE VINEYARD | CCOF CERTIFIED

The 110-acre Wine Creek Ranch is home to 59 acres of vineyards that surround our winery and tasting room. As a cooler site in Dry Creek Valley, the Mediterranean climate and well-drained soils are ideal for Zinfandel, producing a noticeably elegant expression of the valley's signature varietal.

VINTAGE

Harvest: October 2022

- A dry winter and warm, even summer defined the 2021 growing season, resulting in smaller yields but exceptional concentration. Harvest was early and compact, producing beautifully balanced wines that showcase the depth and vibrancy of Dry Creek Valley.
