Tralivio

Verdicchio dei Castelli di Jesi Classico Superiore

The wine is quite pretty, wafting up with a cascade of wildflowers, stone dust and young peach. This caresses the palate with soft, round textures, showcasing citrus-tinged orchard fruits that flow across a core of brisk acidity. The 2022 tapers off long and staining with a tart twang of sour lime that sticks around. Crunchy mineral tones maintain a tactile feel through the close.
