

## 2024 PINOT NOIR SONOMA COUNTY

### WHAT YOU'LL EXPERIENCE

Inviting aromas of raspberry, blueberry, and vanilla mingle with toasty oak and a lift of fresh herbal notes. On the palate, rich layers of blueberry, black currant, and boysenberry unfold alongside hints of black tea and subtle spice, creating a vibrant, well-structured wine with depth and elegance.

### WHAT TO SERVE

This wine shines with herb-crusted lamb chops, roasted duck with berry compote, or a grilled portobello burger topped with goat cheese. For a cozy night in, try it with a wild rice and caramelized onion tart or a sharp aged cheddar.
