

## 2024 CHARDONNAY SONOMA COUNTY, CALIFORNIA

### WHAT YOU'LL EXPERIENCE

The 2023 Thomas Henry Sonoma County Chardonnay opens with inviting aromas of golden apple, pear, citrus blossom, and a hint of orange zest. On the palate, bright flavors of crisp apple and nectarine are layered with subtle notes of butterscotch and lemon. A smooth, creamy mouthfeel is balanced by crisp acidity, leading to a refreshing, clean finish that keeps you coming back for more.

### WHAT TO SERVE

This Chardonnay pairs beautifully with dishes that highlight its bright fruit and creamy texture—think herb-roasted chicken, grilled shrimp with citrus glaze, or buttery lobster rolls. It also complements seared scallops, a pear and goat cheese salad, or butternut squash risotto. For dessert, try a lemon tart or a stone fruit and cheese platter.
