

2024 Friends and Family

Friends and Family is made for life's most sincere moments — reunions, long evenings at the table, and the simple joy of being together. Born from a spirit of spontaneity and generosity, the 2024 carries the hillside's approachable, welcoming energy into the glass.

A season of steady warmth and dry, sun-filled days gives the wine its immediacy and charm. Bright red and black berry notes overlay silky, rounded tannins and a lingering thread of freshness. Luminous and vibrant, this Cabernet-forward cuvee is the kind of wine that turns an ordinary evening into an occasion worth remembering.
