LOST MOUNTAIN

2021 Lost Mountain

This was a season that got out of the gates early and kept its momentum throughout the summer. Thanks to warm and dry conditions, the vineyard was at full ripeness by early autumn, and the grapes were soon called into the cellar.

Seeking balanced wines, the decision for an early vintage was rewarded with a rich core, underpinned by energetic freshness and silky tannins. The Lost Mountain 2021 is classically structured, lavish yet focused, and showcases the refined charm that we cherish in this age-worthy wine.

Cabernet Sauvignon – 62%

Cabernet Franc – 34%

Merlot – 4%
