

Rendezvous 2022

Grace and balance define a year welcomingly devoid of excess or extremes. With ample sunshine, refreshing rains at just the right moments, and a lingering autumn, we were gifted with a vintage of exceptional beauty.

Rendezvous 2022 showcases a breadth and depth of generosity inherent to its nature. With a crisp structure and a rich mid-palate of dark fruits, it is both sophisticated and seductive, inviting us to return to the glass again and again.
