# CHAMPAGNE JACQUESSON

— FAMILLE CHIQUET —

**Corne Bautray**

**Dégorgement Tardif Extra Brut**

This is a rich, explosively fresh and very complex, highly mineral Premier Cru with a long and fascinatingly salty and grippy finish. With 11.3% alcohol and 7.2 grams per liter of total acidity, this is a very expressive Champagne and has great character. The 2005 was the first Corne Bautray that was disgorged with a minimum of dosage (1.5 grams per liter).
