

Château La Commanderie

Pomerol

2020 RESILIENCE

In 2020, a new obstacle arose in the path of our valiant knight. He must fight a fierce battle, but it is in these difficult times that his role as guardian and protector of La Commanderie takes on its full meaning. Armed with his helmet, he stands as a sentinel, defending La Commanderie with unwavering determination, watching over its vineyards, because nothing can distract him from his tireless quest for excellence.

Today, our precious guardian stands before you, victorious and proud to offer you a vintage of great generosity, with notes of ripe fruit, captivating spices and robust tannins.

"The 2020 vintage is distinguished by increased suppleness and accessibility. The vigor and youth of this year allow for the enjoyment of heartier and more traditional dishes. Nevertheless, it is still a great wine, as the distinctive characteristics of Pomerol, such as ripe and tender fruit, as well as fleshy tannins, are fully present."

- Pascal Chatonet, Oneologist

Country: France

Region: Bordeaux

Appellation: Pomerol

Color: Red

Grape varieties: Merlot, Cabernet Franc

Aging potential: The wines of Château La Commanderie can be kept for at least 15 years.

Operating temperature: The ideal serving temperature for Château La Commanderie wines is between 15 and 17°C.

Serving: Château La Commanderie recommends traditional Bordeaux glasses, which are more tapered and have a sufficiently wide opening to ensure good oxygenation.

Tasting notes: *"Blueberry and blackberry pastilles on the nose here, a seam of sweetness running through the fruit. Has some pretty fresh acidities that almost bite on the attack but settles into itself in the glass, and has a supple sense of forward motion. Attractive, appealing, a floral edge that becomes evident on the finish. A yield of 40hl/ha. Pascal Chatonet consultant. 70% new oak."*

- 93 points, Decanter
