CHATEAU MALESCOT

S^tEXUPÉRY

Troisième Grand Cru Classé 1855

The 2023 Malescot St. Exupéry is a powerful Margaux that will need a bit of time to come together. Potent tannins wrap around a core of red/purplish fruit, lavender, mint and dried herbs. These days, Malescot is not quite as unyielding as it used to be, but this remains a decidedly old-school Margaux in style and overall philosophy.
