PREMIER GRAND CRU CLASSÉ

A SMOOTH AND BEAUTIFULLY COMPLEX PREMIER GRAND CRU CLASSÉ FROM SAINT-ÉMILION

The Château Pavie Macquin was founded in the 19th century by Albert Macquin, the man who introduced grafted plants in France to save the country's vineyards from destruction caused by phylloxera. Today, the château is still owned by the descendants of Albert Macquin. This Premier Grand Cru Classé from Saint-Émilion is an essential reference of the appellation and ranks among the greatest crus in the world.

Current vintage: 2023

Country: France

Region: Bordeaux

Appellation: Saint-Emilion

Classification: 1er grand cru classé

Color: Red

Grape varieties: 82% Merlot, 17% Cabernet Franc, 1% Cabernet Sauvignon

Wine certification: AOC

Allergens: Contains sulfites

Tasting notes: *"The 2023 Pavie Macquin is one of the stars of the vintage. An exceptional, vibrant wine, Pavie Macquin dazzles from start to finish. Seamless tannins wrap around a core of inky red/purplish fruit, lavender, mint, spice and blood orange, all framed by bright, salivating acids. The transition toward higher-density vineyards and greater freshness is paying huge dividends. This is a stellar effort from the château and long-time consultant Stephane Derenoncourt, who has kept Pavie Macquin as one of just a handful of estates he personally follows these days. In a word: Brilliant! Tasted two times".* **- 98-99 Vinous**
