

Domaine Jean Fournier

VIGNERON À MARSANNAY LA CÔTE. CÔTE D'OR. FRANCE

## CLOS DU ROY BLANC

*Domaine Jean Fournier, one of the area's oldest estates, is led by Laurent Fournier, who farms organically and was certified by Ecocert in 2008. Old vines across the estate contribute to the wines' purity and finesse.*

*The domaine also grows 80-year-old Aligoté vines, yielding a fresh, concentrated wine through green harvesting and low yields. Wines are hand-harvested, fermented in barrel, and aged for three years, creating structured, age-worthy wines.*

**VARIETAL:** 100% Chardonnay

**COUNTRY:** France

**REGION:** AOC Marsannay

**SOIL:** Sandstone soil

**FARMING:** Organic

**FERMENTATION:** Streading; long press; cold setting. Fermented with natural yeasts.

**AGING:** Aged 12 months in demi-muid and 6 months in tank

**TASTING NOTES:** A fruity apricot and passion fruit reflects an early and fairly warm climate. It is counterbalanced by the cold character of the limestone which tends the wine to a saline minerality. It is a very distinguished and promising wine which will not be afraid of remaining in the cellar for a good ten years to express its full potential.
