

# Volnay Les Caillerets

## *Ancienne Cuvée Carnot*

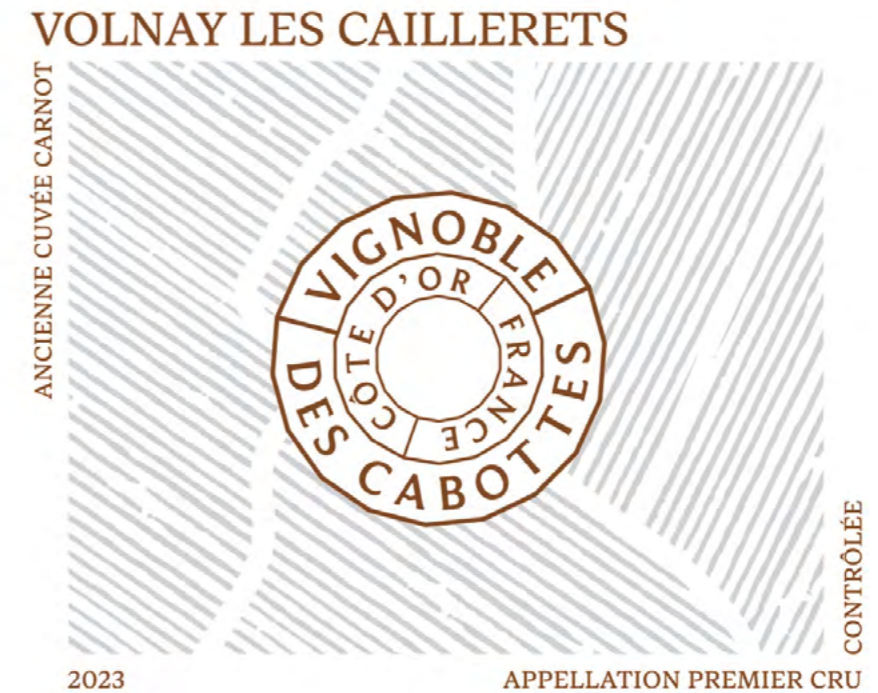

### Premier Cru

The saying speaks for itself: “He who does not have Caillerets does not know what Volnay is worth”. It originates from a stony, poor soil, yet produces a wine of remarkable elegance.

- Acquisition date: 1775
- Surface: 3.09 hectares
- Altitude: 260 meters
- Soils: calcareous clay on limestone bedrock
- Exposure: East / South-East

## 2023 Vintage

*“An expressive bouquet, featuring notes of black fruits, floral hints, and a touch of oak with aeration. The palate is juicy, with a fine structure, revealing intense black fruit aromas (wild blackberry) and a saline finish. A wine with excellent aging potential.”*

- Harvests: September 4 & 8, 2023
- Whole cluster: 40%
- New oak: 40%
- Ageing: 20 months
