

BASTIDE DE PANISSE

LE JARDIN
CÔTES-DU-RHÔNE

2025

2025 VINTAGE: An early and contrasting vintage, full of promise.

A mild winter and a spring marked by regular rainfall encouraged vigorous vine growth and built up valuable water reserves. Despite three notable heatwaves (late June, mid-July, and early August), the vines withstood the heat well thanks to the good water reserves, allowing for early yet balanced ripening.

Harvest began in mid-August, before early September rains rebalanced the fruit maturity and brought a touch of freshness. Careful leaf-thinning work ensured optimal phenolic ripeness.

This vintage shows a dual personality – both powerful and concentrated, yet marked by freshness and aromatic finesse. The first tastings reveal wines of great balance, deep color, and elegant structure, with a superb expression of our sandy-soil Grenache, combining density with remarkable delicacy.

VINIFICATION :

Hand-picking with sorting in the vineyard and then in cellar.

Pneumatic pressing in whole bunches. Cold settling during one night at 10°C.

Start of harvests on 19th August for our Viognier, on 27th August for our white Grenache, on 30th August for the Roussanne and on 20th September for our white Clairette.

AGEING :

In stainless steel tanks during 4 months.

WINEMAKER TASTING NOTES :

Le Jardin shows a clear and bright pale color with golden highlights. The nose is open and expressive, revealing generous fruit aromas (roasted pineapple, pear, white peach), complemented by a fresh and appealing floral touch of mimosa.

On the palate, very aromatic, it shows clear notes of citrus zest, finger lime, and bergamot. The wine finishes with precision, carried by a delicate minerality.

A lively, fresh, and generous Côtes-du-Rhône, easy to enjoy and share.

FOOD AND WINE PAIRINGS :

Poached oysters

Conchiglioni stuffed with zucchini and mint

Sea bream ceviche with grapefruit and lemon

Fresh goat's cheese with pink peppercorns

Lemon and yuzu cake

VINES YEARS AVERAGE :

40-50 years old

BLEND :

30% Viognier

30% White Clairette

20% White Grenache

20% Roussanne

YIELD :

34 hl/ha

SOILS CHARACTERISTICS :

Sandy soils and round pebbles.

2026-2031

10-12°C
