

## HOMMAGE À WILLIAM DEUTZ, MEURTET

The east-facing Meurtet vineyard is bathed in the gentle warmth of the morning sun. The young vines on this plot produce generous yields and a wonderfully consistent expression. The embodiment of elegance, this single-varietal, single-vineyard champagne is remarkable for its presence, delicately balancing fruit and minerality in a harmony of exceptional finesse. It is a magnificent illustration of the magic of the Aÿ terroir and the seductive and surprising salinity characteristic of its great Pinot Noirs.
